

# Send a Mom-a-gram. Give a mammogram.

Send a tribute to your mom or a special woman in your life: a **mom-a-gram**. This donation will be used to give an uninsured or under-insured woman in rural Missouri the gift of a **mammogram**, ultrasound or biopsy. You can choose.

For your gift of a mom-a-gram, we will send your mother or a special woman in your life a **tribute card to honor her for Mother's Day**. In addition, you will receive a beautiful piece of Diane Katzman Design jewelry to enjoy for yourself or to present to your mom or special someone.

To give, please go to [missouribaptist.org](http://missouribaptist.org)
